Docket No. N2014-1

MOTION TO SUPPLEMENT
PUBLIC REPRESENTATIVE'S BRIEF

(February 27, 2014)

The Public Representative requests that the Commission grant this motion to supplement her initial brief. One day prior to the briefing deadline, on February 19, 2014, the Postal Service filed additional information central to some of the Public Representative's arguments contained in her initial brief.¹ In addition, one day after the briefing deadline, on February 21, 2014, the Postal Service filed data highly relevant to the arguments contained in the Public Representative's initial brief.² To the extent that the use of the library references and interrogatory response is outside the scope of the reply brief, the Public Representative requests that her discussion be treated as a supplement to her initial brief.

Respectfully Submitted,

/s/ Anne J. Siarnacki
